

# Sustainable Canadian Agricultural Partnership

Competitive. Innovative. Resilient.

---

Environmental Farm Management Planning

# Program Description/Objectives

To foster climate change adaptation and mitigation actions and agri-environmental risk by increasing knowledge, information and technology transfer through the use of Environmental Farm Plans and associated actions.

## Eligible Applicants:

- Agriculture producer associations.
- Academic or research institutions.
- Other individuals or groups capable of achieving program objectives.

## Eligible Activities:

- Delivery of the Environmental Farm Planning program.

## Level of Assistance:

- Up to 100% of eligible delivery costs of the Environmental Farm Planning program.

## Administrative Guidelines

All applicants must be familiar with the administrative guidelines prior to applying. The Administrative Guidelines can be found here: **[SCAP Administrative Guidelines](#)**

## Other Requirements

It is the applicant's responsibility to ensure that any necessary permits, environmental approvals, or certifications are obtained to complete their project.

## Reporting

Applicants may be required to report on the impact of the funding received. Reporting requirements will be outlined in the letter of offer.

## Regional Collaboration

Projects that are assessed to demonstrate benefits and impacts to more than one province may be eligible for funding on a regional basis.

## How to Apply

Applicants should discuss applications with appropriate Department of Agriculture, Aquaculture and Fisheries staff (Business Growth Officer, Development Officer or Specialist) before applying. A list of departmental contacts can be found at the following links:
