

# Quick Start Online Resources

## High School

### Literacy

**Essential Skills Resources** from the Government of Canada provides eight downloadable workbooks including *Reading* and *Writing*.

**CommonLit's** Library section offers texts in a variety of genres supported by interactive aids such as dictionaries and pronunciation guides. (Free account; name, school and email required.)

**SORA** offers a variety of downloadable eBooks, graphic novels, and audiobooks in French and English. To access the SORA library, select NB Department of Education and Early Childhood from the Find My School selector and log in using your NBSS/NBED email account. Accessible by web browser or mobile device (**iOS** / **Android**). Users can borrow two books at a time.

### Numeracy

**Khan Academy** presents instructional videos, worked examples, practice, and assessment opportunities for a full range of High School Math topics.

**Financial Consumer Agency of Canada (FCAC)** is a trusted Government of Canada source of financial literacy information, resources, and interactive tools such as budget planners.

**Essential Skills Resources** from the Government of Canada provides eight downloadable workbooks including *Numeracy*.

### French

**Idélo** is a comprehensive website with thousands of resources in French, including reading activities, math, science, social studies, art, games, and STEAM projects. (Free account; name, email and other info required.)

**Duolingo** is both an app and a website that enables French Second Language Learners to practice reading, writing, and speaking French.

With your **NB Public Libraries** card, you can download French and English eBooks and audiobooks onto your device using the free OverDrive apps. **Need a library card?**

### Health and Wellness

**OPEN (Online Physical Education Network): Active Home** has physical education ideas for all age levels and a new series for social distancing.

**Participaction's** Build Your Best Day offers choices for healthy living and highlights the benefits and guidelines of physical activity.

**Yoga with Adriane** is a friendly wellness video collection for all levels and bodies.

### Learning in Life

**Popular Mechanics** provides a range of make-at-home project ideas with complete "how-to" instructions.

**Explore the Earth from Home** is a collection of resources to explore weather, climate, air quality, and other earth science topics.

**TED-Ed** has launched **TED-Ed@Home** to support those affected by the COVID-19 pandemic with videos, lessons, and articles on diverse topics. (Email required.)

The **Virtual Museum of Canada** provides links to virtual museum exhibits from across Canada.

The **National Film Board of Canada** archives are available for viewing online with over 3,000 videos on a variety of subjects.

**Climate Change: From Learning to Action** helps students understand what climate change is, how it affects people, and what can be done to address it. (Must register; email required.)

The **World's Largest Lesson** introduces the Sustainable Development Goals to children and young people everywhere to unite them to take action.
