

## Canada Community-Building Fund (CCBF) 2019-24 Unincorporated Areas Approved Project List

Recipient	Project Name	Brief Description	Category	Awarded
<b>March 15, 2023</b>				
Village of Grande-Anse	Centre Edmond E. Landry upgrade	Improve the arena's structural elements, refrigeration system and electrical and mechanical systems to allow its reopening.	Sport Infrastructure	\$ 290,669
<b>Announced March 13, 2023</b>				
Department of Tourism, Heritage and Culture	NB Parks trail upgrades	Improve New Brunswick Provincial Parks multi-use trail network at Mactaquac, De la République, Sugarloaf, Mount Carleton, New River Beach and Parlee Beach.	Recreational Infrastructure	\$ 670,000
Department of Transportation and Infrastructure	Rural road upgrades	Resurface eight rural chip seal roads: Birch Hill Crescent, Red Oak Drive, Tall Pine Road, Roy Scenic Drive, Bloomfield Ridge Road South, Parleeville Road, and sections of Route 113 and Route 635.	Local roads and bridges	\$ 3,740,000
NB Division Canadian Railway Association	NB Railway Museum revitalization	Upgrade the kitchen, roof, doors, windows and floors in two existing buildings. Upgrade lighting and signage. Pave parking lot, clear 2 kilometres of railway, build a train hanger and complete a historical motor car retrofit.	Tourism Infrastructure	\$ 200,000
Bluff Property Owners Association	Belliveau Beach Road safety and improvement project	Pave the community road over 480m.	Local roads and bridges	\$ 60,548
Domaine Brookridge Estates Inc.	Brookridge Estates outdoor park	Build a park which will include a traditional playground combined with an outdoor fitness area for all and a performance/gathering area.	Recreational Infrastructure	\$ 514,100
Woodstock Trailmakers Inc.	Woodstock Trailmakers Club #23 trail improvement and shelter upgrades	Improve several trails, upgrade two shelters and build an additional one.	Recreational Infrastructure	\$ 41,000
Aréna Adé Thériault Inc.	Arena roof upgrades	Replace upper roof and improve lower sections, including insulation.	Sport Infrastructure	\$ 347,230
Department of Environment and Local Government	Penobsquis Fire Station	Demolish old station and build a new station on the same site.	Fire halls	\$ 864,000
Department of Environment and Local Government	Coles Island Fire Station	Build a new fire hall on new site. The current fire hall site is inadequate for a larger building.	Fire halls	\$ 864,000
Comité de développement économique et communautaire de Rivière-Verte	Improvements - Mounts Pointu and Quisibis	Promote tourism by installing regional and historic signage, improve trails, lookout, gazebo, dry toilets and solar panels at mounts Pointu and Quisibis.	Recreational Infrastructure	\$ 60,122
Greenwich Recreation Association Inc.	River Road Hub facility upgrades	Upgrade exterior of building, electrical panel, indoor gym lighting to LED and playground and mulch. Install 7 heat pumps. Repave driveway for safety and accessibility. Build dugout and resurface infield at ballfield.	Recreational Infrastructure	\$ 264,560
Department of Environment and Local Government	Baie-Sainte-Anne Fire Station	Construct a 4 bay hall building with a training area, washrooms, kitchen and storage area.	Fire halls	\$ 864,000

Recipient	Project Name	Brief Description	Category	Awarded
Club VTT la Randonnée Nord-Est Inc.	ATV club infrastructure upgrade	Improve existing infrastructure on major ATV and snowmobile trail network.	Tourism Infrastructure	\$ 36,770
Department of Environment and Local Government	Deer Island Fire Station	Construct a three bay hall building.	Fire halls	\$ 1,000,000
<b>Announced August 29, 2022</b>				
Department of Environment and Local Government	Pointe-Sapin community centre upgrades	Replace siding and steel roof insulation.	Recreational Infrastructure	\$ 184,572
Department of Environment and Local Government	Miscou Fire Hall expansion	Construct two additions to the fire hall – a new bay and a training area.	Fire halls	\$ 402,588
Department of Environment and Local Government	New Bandon Salmon River Fire Hall expansion	Construct a fourth bay on existing fire hall.	Fire halls	\$ 225,000
Department of Environment and Local Government	Saint-Sauveur Fire Hall expansion	Construct an additional bay on existing fire hall.	Fire halls	\$ 350,000
Department of Environment and Local Government	Sunny Corner Fire Hall upgrades	Upgrade washrooms, install mini-splits and seal door frames.	Fire halls	\$ 120,000
Department of Natural Resources and Energy Development	Renous River Bridge upgrades – Trail system	Upgrade concrete piers and abutments.	Recreational Infrastructure	\$ 662,400
Department of Natural Resources and Energy Development	Saint-Simon Bridge – Trail bridge upgrades	Upgrade trail bridge.	Recreational Infrastructure	\$ 480,585
Carrefour Coop Ltée	Conversion of buildings to Carrefour Coop	Upgrade two heritage buildings to present theme exhibitions and mini shows and add an outdoor terrace.	Cultural Infrastructure	\$ 250,000
Village of Saint-Isidore	Complexe équestre Richard-Losier upgrade	Renovate three barns, adapt the welcome building, modify the facilities to flood an ice oval, add bleachers and an equestrian riding ring, reconfigure the parking lot, and develop a trail for mountain biking and cross-country skiing.	Recreational Infrastructure	\$ 350,000
Village historique Acadien	Replacement of the heating and air conditioning system at the reception centre	Replace the four heating and air conditioning units at the reception centre.	Community energy systems	\$ 70,094
Tabusintac Regional Golf Club Inc. (TGC)	New clubhouse	Build a multi-purpose, energy-efficient clubhouse.	Recreational Infrastructure	\$ 494,621
Regroupement des organismes communautaires de Paquetville Inc.	Centre des loisirs upgrade	Prepare the former outdoor skating rink area to put up a big tent and install portable toilets. Insulate a section of the attic of the Centre des loisirs and add a heat pump.	Recreational Infrastructure	\$ 70,001
Inkerman Recreation Council Inc.	Centre communautaire d'Inkerman upgrade	Replace the roof, install a generator, and redo the parking lot. Upgrade the heating system, lighting, and interior finish.	Recreational Infrastructure	\$ 410,200
Scottish Heritage Association Miramichi Inc.	Wilson's Point Historic Site restoration	Replace roof, secure river bank from erosion, and resurface parking lot with chip seal.	Cultural Infrastructure	\$ 167,577
Napan Agricultural Show Inc.	Napan Agricultural Show infrastructure upgrades	Upgrade three existing barns, including raising the barns to increase ventilation and height. Improve flooring, stalls and lighting.	Cultural Infrastructure	\$ 65,500
Department of Agriculture, Aquaculture and Fisheries	New Brunswick Aquarium and Marine Centre upgrades	Replace the building's HVAC system.	Tourism Infrastructure	\$ 440,000
Tuadook Village Community Center	Walking trails and kitchen upgrades	Develop two kilometres of walking trails and upgrade the kitchen of the community center.	Recreational Infrastructure	\$ 78,936

Recipient	Project Name	Brief Description	Category	Awarded
<b>Announced August 23, 2022</b>				
Department of Environment and Local Government	Addition to Musquash Recreation Center	Build an addition onto Musquash Recreation Hall to increase recreational space and improve accessibility.	Recreational Infrastructure	\$ 114,000
Department of Environment and Local Government	Addition to Welsford fire hall	Build an addition onto the existing fire hall.	Fire halls	\$ 300,000
Department of Environment and Local Government	Rollingdam Fire Department upgrades	Replace overhead doors and install heat pump.	Fire halls	\$ 19,551
Department of Environment and Local Government	White Head Fire Hall upgrades	Construct a septic field, a well and washroom facilities.	Fire halls	\$ 40,000
Town of St. George	Pickleball court upgrades	Upgrade courts, including surface and lighting.	Sport Infrastructure	\$ 109,515
Department of Tourism, Heritage and Culture	Herring Cove Golf course sewer upgrades	Decommission wastewater lagoon and build a new lagoon with a bio-filter system.	Wastewater	\$ 45,000
Department of Tourism, Heritage and Culture	Herring Cove Provincial Park chalet comfort station	Build a new comfort station to service five camp sites. Utilize alternate energy sources and install a septic tank system with bio-filtering.	Tourism Infrastructure	\$ 110,000
Debec Recreation Council Inc.	Multi-use surface upgrades	Expand and pave all-season surface for skating, tennis, basketball and concerts.	Sport Infrastructure	\$ 92,842
Central Kings Recreation Centre	Central Kings Recreation Center upgrades	Upgrade washrooms and kitchen. Build an expansion for storage.	Recreational Infrastructure	\$ 299,325
Peninsula Branch No. 62 Royal Canadian Legion	Legion building upgrade	Upgrade roof to metal.	Recreational Infrastructure	\$ 60,000
Welsford Community Association	Welsford outdoor rink and multipurpose field upgrades	Rebuild outdoor rink including LED lights, resurface sports field and upgrade drainage system.	Sport Infrastructure	\$ 300,000
Deer Island Recreational Council Inc.	Deer Island Park upgrades	Upgrade fences, electrical system, washrooms, water tank, septic tank and picnic area, and address erosion issues in the park.	Recreational Infrastructure	\$ 141,576
Nauwigewauk Community Club	NCC recreation infrastructure expansion and improvement	Upgrade playground, add directional and interpretive signage to existing trail, add picnic areas, edible vegetation, a bike pump track and a kilometre long winter skating trail.	Recreational Infrastructure	\$ 137,307
St. Croix Estuary Project Inc./Ganong Nature Park	Trail enhancement	Upgrade trail signage.	Tourism Infrastructure	\$ 14,092
Mountainview Trailmakers Inc.	Snowmobile hub	Construct a member hub with storage facility for trail grooming equipment and club assets.	Recreational Infrastructure	\$ 95,183
Dumfries Community Development	Dumfries rural market upgrades	Upgrade existing ice cream shop building and construct three new buildings for other market vendors.	Cultural Infrastructure	\$ 8,559
Village of Millville	Ball field upgrade and kiosk construction	Upgrade ballfield, including fencing, back stop, and field surface. Construct two dugouts and an information kiosk for multi-purpose trail users with washroom facilities and picnic areas.	Recreational Infrastructure	\$ 230,999
Village of Blacks Harbour	Patrick Connors Recreational Complex – Fundy Arena upgrades	Upgrade ice plant system, lighting, score clock and heating system. Install heat pump in lobby.	Recreational Infrastructure	\$ 380,000
Department of Natural Resources and Energy Development	Erosion stabilization projects – Various sites	Stabilize erosion at various trail sites, including Saint John River Line (Woodstock to Hartland) and Nashwaak River Line (Fredericton to Cross Creek).	Recreational Infrastructure	\$ 414,000

Recipient	Project Name	Brief Description	Category	Awarded
<b><u>Announced August 20, 2022</u></b>				
Department of Environment and Local Government	Jemseg Fire Hall upgrades	Upgrade the fire hall's two washrooms.	Fire halls	\$ 25,920
Department of Tourism, Heritage and Culture	Mactaquac Provincial Park upgrades	Build a splash pad and an accessible recreation building with solar powered lights and heat pumps.	Tourism Infrastructure	\$ 170,000
Estey's Bridge Recreation Association Inc.	Estey's Bridge Community Centre improvements – Phase 2	Install elevator, upgrade wheelchair ramp and emergency exit, increase storage capacity, pave walking trail, resurface playground area, build an outdoor court and add accessible playground equipment.	Recreational Infrastructure	\$ 187,128
Oromocto River Watershed Association Inc.	Adventure trail upgrades – Oromocto area	Upgrade trail network by building new trails, access paths, pedestrian bridges, safety barrier and erosion control. Improve parking areas.	Tourism Infrastructure	\$ 330,786
Department of Natural Resources and Energy Development	Oromocto River Bridge upgrades – Trail system	Replace trail bridge ties, deck and railing system.	Recreational Infrastructure	\$ 517,500
Department of Natural Resources and Energy Development	Youngs Brook Bridge upgrades – Trail system	Replace bridge ties, deck and railing system.	Recreational Infrastructure	\$ 621,000
Department of Natural Resources and Energy Development	Shaw Creek Bridge - Trail bridge upgrades	Undertake a major trail bridge upgrade and a culvert replacement.	Recreational Infrastructure	\$ 724,156
New Brunswick All-Terrain Vehicle Federation	Addition of trail heads	Build seven trail heads to improve trail access. Set up picnic tables, bicycle racks, solar lighting, and information kiosks.	Recreational Infrastructure	\$ 2,230,000
Maugerville Development Council Inc.	Maugerville Community Center upgrades	Upgrade community centre, pave driveway and parking areas, drill well and construct baseball field and walking trail.	Recreational Infrastructure	\$ 223,320
MTB Minto	MTB Minto trail network development	Expand and upgrade existing mountain bike trails. Build a skills park with washrooms, bike service station, race day center, storage and information center for trail users.	Recreational Infrastructure	\$ 137,865
Jemseg Lions Club	Jemseg Lions Community Hall upgrades	Install new oil furnace and relocate kitchen sinks.	Community energy systems	\$ 11,355
Taymouth Community Association	Taymouth Ball Field upgrades	Install lighting and improve field surface.	Sport Infrastructure	\$ 29,914
Upper Nashwaak Agrena Association Inc.	Agrena upgrades	Improve building's insulation, siding, lighting, plumbing, ice plant, score clock, sound system, electrical components and fire detection.	Sport Infrastructure	\$ 495,696
Queens County Fair Inc.	Electrical hook-up upgrade	Upgrade electrical infrastructure for county fair.	Cultural Infrastructure	\$ 3,600
The Nature Trust of New Brunswick Inc.	Improve recreational infrastructure at NB Nature Preserves to improve visitor experience	Improve existing trail network, including accessibility, year-round access, and trail head development.	Recreational Infrastructure	\$ 114,181
Department of Environment and Local Government	ELG Asset Management Plan	Develop an asset management plan to assist in infrastructure management and financial decision making. Infrastructure includes department-owned community centres, firehalls, playgrounds, and public water and wastewater systems.	Capacity building	\$ 600,000
<b><u>Announced July 22, 2022</u></b>				
Targetville Recreation Center	Target to Efficiency – Phase II	Upgrades to windows, concrete floor, insulation, lighting and kitchen appliances.	Recreational Infrastructure	\$ 45,067
La Coopérative des services communautaires d'Acadieville Ltée	Centre communautaire d'Acadieville upgrades – Phase 2	Upgrade floors and counters, replace lights in the bowling alley, repaint, expand the surface area of and pave the parking lot.	Recreational Infrastructure	\$ 155,280
Department of Tourism, Heritage and Culture	St. Martins Sea Caves upgrades	Perform rock scaling and install warning signage to address safety concerns.	Tourism Infrastructure	\$ 50,000

Recipient	Project Name	Brief Description	Category	Awarded
Greenwood Lodge Community Centre Inc.	Kitchen upgrades	Upgrade kitchen workspace, including cupboards, counters, sink, rangehood, storage closet, outlets and lighting.	Cultural Infrastructure	\$ 20,428
Trillium Heritage Society	Porch and entryway upgrades	Replace ceiling tiles, wall paneling, flooring, venting and insulation, drywall, boards and exterior door.	Cultural Infrastructure	\$ 17,643
Le Centre Communautaire de Collette Incorporée	Centre Communautaire de Collette upgrades – Phase 2	Expand the centre to add a reception and meeting room, replace heating units and paint.	Recreational Infrastructure	\$ 100,396
Fundy Trail Development Authority Inc.	Fundy Trail Parkway road upgrade	Upgrade 8 kilometres of chipseal road.	Local roads and bridges	\$ 495,000
Irishtown Community Center Inc.	Irishtown Community Recreation Hub	Upgrade community hall for use as a community hub for recreation, youth programs, and meeting spaces. Expand building to build a gymnasium and build a soccer field.	Recreational Infrastructure	\$ 3,541,856
Department of Natural Resources and Energy Development	Crooked Creek Bridge replacement – Trail system	Replace wooden covered bridge for trail use.	Recreational Infrastructure	\$ 101,652
Department of Natural Resources and Energy Development	Clarcken Brook Bridge upgrade – Midgic area trail	Replace trail bridge railing system.	Recreational Infrastructure	\$ 41,400
Department of Natural Resources and Energy Development	Tantramar River Bridge upgrades – Trail system	Replace bridge deck and railing system.	Recreational Infrastructure	\$ 241,500
Aldouane Lake Marina Inc.	Breakwater construction	Upgrade the wharf and add erosion protection. Install educational signage on river habitat and add a pergola, picnic tables, and bicycle racks.	Disaster mitigation	\$ 294,552
Conseil paroissial de Sainte-Marie-de-Kent	Community road upgrade	Pave the road that accesses the community garden, vegetable storehouse, and cemetery.	Local roads and bridges	\$ 74,865
Sussex Valley All-Terrain Club Inc.	Schoales Dam Ranger Camp restoration	Upgrade electrical wiring, plumbing, insulation and sheathing.	Recreational Infrastructure	\$ 41,348
Club de loisirs de Saint-Ignace Inc.	Revitalization of the Saint-Ignace skating rink	Upgrade the concrete floor and rink boards.	Recreational Infrastructure	\$ 119,844
Albert County Trail Blazers Inc.	Turtle Creek Train Trestle – Trail bridge upgrade	Upgrade decking and rails on old train bridge.	Recreational Infrastructure	\$ 269,800
Club VTT Memramcook ATV Club Inc.	Trail improvements	Upgrade 35 kilometres of multi-use trails and install culverts.	Recreational Infrastructure	\$ 321,732
Progressive Club of Old Ridge	Progressive Hall upgrades	Complete metal roof. Fix foundation, kitchen floor and plumbing. Install emergency door, vinyl siding and soffits.	Recreational Infrastructure	\$ 81,000
Club d'âge d'or Saint-Paul	Saint-Paul community infrastructure upgrades	Build garden gazebo, upgrade skating rink and ball park, extend walking trail, and improve play park, ATV trails and parking area.	Recreational Infrastructure	\$ 177,000
Village of Saint-Antoine	New building on the site of the Fernand-Leger Outdoor Rink	Build a new building to be used as a changing area, canteen, and meeting place for year-round activities.	Sport Infrastructure	\$ 212,562
Expo Kent	Expo Kent show ring expansion	Expand the show ring to standard size.	Recreational Infrastructure	\$ 65,936
<b>Announced July 21, 2022</b>				
Department of Tourism, Heritage and Culture	Road upgrades – Larry's Gulch Road	Upgrade a 4.6 kilometre road.	Local roads and bridges	\$ 300,000
Department of Tourism, Heritage and Culture	Sugarloaf Provincial Park – Conveyor ski lift	Upgrade beginner tow rope to conveyor belt.	Sport Infrastructure	\$ 130,750
Department of Tourism, Heritage and Culture	Sugarloaf Provincial Park – Snowmaking expansion, phase 2	Add hydrants and pipes to extend snow making to additional trails.	Sport Infrastructure	\$ 66,000
Northwest Regional Service Commission	Hydroseeding and gas recovery upgrade at the CSRNO landfill site	Hydroseed six closed landfill cells. Install a water drainage system to improve biogas recovery to generate renewable energy.	Solid waste	\$ 194,423

<b>Recipient</b>	<b>Project Name</b>	<b>Brief Description</b>	<b>Category</b>	<b>Awarded</b>
Department of Natural Resources and Energy Development	Aroostook River NB Trail Bridge upgrade	Upgrade bridge pier.	Recreational Infrastructure	\$ 333,960
Department of Natural Resources and Energy Development	Erosion stabilization project – Grog Line	Stabilize erosion at various sites along the Grog line trail.	Recreational Infrastructure	\$ 414,000
Lorne Recreational Development Council	Lorne sports and recreation infrastructure upgrades	Drill well, upgrade skating rink, repaint basketball and tennis court lines, and add playground equipment and water sprinklers for kids.	Recreational Infrastructure	\$ 19,442
Valley Horse & Saddle Club Inc.	Horse & Saddle Club facility upgrades	Replace canteen and announcer's booth and upgrade electrical components and plumbing. Replace two shower stalls and add fence.	Recreational Infrastructure	\$ 44,736
Village of Tide Head	Enhancement of Tide Head's tourism assets	Install signage at Tide Head Beach, cut trees to restore view point and install three podiums at Morrissey Rock Lookout.	Tourism Infrastructure	\$ 7,442
Campbellton Curling Club	Ice plant replacement and other upgrades	Upgrade ice plant equipment, ice base and markings for ice sheets.	Sport Infrastructure	\$ 103,634
<b><u>Announced March 14, 2022</u></b>				
Department of Tourism, Heritage and Culture	North Lake Provincial Park facility improvements	Upgrade infrastructure to reinstate North Lake Provincial Park.	Recreational Infrastructure	\$ 214,526
Department of Transportation and Infrastructure	Rural transportation, climate adaptation and resiliency projects - Route 190	Upgrade existing culvert on Route 190 to prevent future damage caused by heavy rains and flooding events.	Disaster mitigation	\$ 240,000
Department of Transportation and Infrastructure	Rural transportation, climate adaptation and resiliency projects - Kintore Road	Upgrade existing culvert on Kintore Road to prevent future damage caused by heavy rains and flooding events.	Disaster mitigation	\$ 780,000
River Valley ATV Club Inc.	ATV trail culvert installation.	Install four cross culverts to protect the trail from spring and heavy rain washouts.	Recreational Infrastructure	\$ 20,000
Department of Transportation and Infrastructure	Rural transportation, climate adaptation and resiliency projects - Smith Road	Elevate section of Smith Road to prevent future damage caused by heavy rains and flooding events.	Disaster mitigation	\$ 810,000
Department of Transportation and Infrastructure	Rural transportation, climate adaptation and resiliency projects - Sunset Valley Road	Elevate section of Sunset Valley Road to prevent future damage caused by heavy rains and flooding events.	Disaster mitigation	\$ 420,000
Department of Transportation and Infrastructure	Rural transportation climate adaptation and resiliency projects - Sorrell Ridge Road	Upgrade existing culvert on Sorrell Ridge Road to prevent future damage caused by heavy rains and flooding events.	Disaster mitigation	\$ 600,000
Slo-Poke ATV Club	Millbrook Bridge	Build a new bridge and trail access.	Recreational Infrastructure	\$ 410,210
Van Horne Estate on Ministers Island Inc.	Restoration of Covenhoven heating system	Improve the building heating system.	Tourism Infrastructure	\$ 165,000
Department of Natural Resources and Energy Development	Camp Tippy Canoe	Construct a summer camp site.	Recreational Infrastructure	\$ 589,415
The St. John River Society	Enhancement of heritage steamboat wharves	Upgrade 13 heritage steamboat wharves in communities along the lower Saint John River.	Recreational Infrastructure	\$ 976,530
Department of Environment and Local Government	Pennfield Park restoration	Improve the park by adding a new picnic area and restoring a monument.	Recreational Infrastructure	\$ 13,484
Town of St. George	Canal Beach revitalization	Construct a new building, a canteen and accessible washrooms and shower. The project also includes walkways, landscaping, playground equipment, and a floating dock system.	Recreational Infrastructure	\$ 418,268
White Head Recreational Council	White Head Island Community Center	Construct a new community centre.	Recreational Infrastructure	\$ 224,415

Recipient	Project Name	Brief Description	Category	Awarded
<b><u>Announced March 7, 2022</u></b>				
Department of Tourism, Heritage and Culture	Mactaquac Provincial Park HVAC	Install a modern HVAC system to replace the existing heating and cooling system.	Community energy systems	\$ 87,000
Estey's Bridge Recreation Association Inc.	Community centre accessibility improvements	Install an elevator/lift to improve accessibility.	Recreational Infrastructure	\$ 42,504
Keswick Rec Association	Keswick Ridge regional recreation building	Construct a regional recreation building that will include a large sheltered events space, a front canopy for outside events, accessible washrooms, canteen, and equipment storage.	Recreational Infrastructure	\$ 170,000
Regional Service Commission 11	Fredericton Regional Aquatics Centre - Phase 1	Design a new regional aquatics centre.	Recreational Infrastructure	\$ 263,566
River Valley Cycling Inc.	Woolastook Park mountain biking trail expansion	Construct 15 kilometres of new trails.	Recreational Infrastructure	\$ 303,241
Department of Environment and Local Government	Kingsclear Community Park upgrades	Reconstruct an existing basketball court.	Recreational Infrastructure	\$ 20,817
Oromocto River Watershed Association Inc.	Improve access to recreational adventure tourism trails and waterways.	Improve infrastructure to increase access to recreational areas in the Oromocto Watershed. Works include a new bridge, road upgrades, culvert replacements, boat launch upgrades, parking lots and signage.	Tourism Infrastructure	\$ 1,308,060
Keswick Valley Regional Complex	Keswick Valley Regional Complex facility improvements	Construct a new entrance, renovate upper level, improve building accessibility and reconfigure the dressing rooms.	Sport Infrastructure	\$ 1,354,000
Estey's Bridge Recreation Association Inc.	Estey's Bridge Community Centre facility improvements	Upgrade the kitchen, the soccer field and the walking trail for year-round use and accessibility, and construct picnic shelters.	Recreational Infrastructure	\$ 123,251
Lake George Habitat Preservation Inc. (LGHPI)	Lake George community boat launch	Enhance the existing community boat launch.	Recreational Infrastructure	\$ 135,769
Prince William Fifty Plus Seniors Group Inc.	Prince William Fifty Plus Hall upgrades	Improve the building's structural integrity and replace the septic system.	Recreational Infrastructure	\$ 60,648
Benton Recreation Council Inc.	Benton Park upgrades	Upgrade the washroom facilities and picnic shelters and install signage to direct tourists to local attractions.	Recreational Infrastructure	\$ 9,712
Debec Recreation Council, Inc.	Debec Recreation Center expansion and upgrade	Extend and improve the existing building, which includes washrooms, kitchen, energy efficiency, and accessibility.	Recreational Infrastructure	\$ 159,668
Department of Environment and Local Government	Benton Community Hall upgrades	Improve the building's energy efficiency and accessibility.	Recreational Infrastructure	\$ 83,550
<b><u>Announced February 24, 2022</u></b>				
Club VTT Acadien	Chalet du Capitaine trail upgrades	Build a multi-use, year-round trail of approximately three kilometres to connect the main trail network to the Chalet du Capitaine.	Recreational Infrastructure	\$ 51,443
Club VTT Chaleur Inc.	Jacquet River ATV Bridge	Build a six-kilometre multi-use trail and a 160-foot-long bridge.	Recreational Infrastructure	\$ 562,223
Club VTT la Randonnée Nord-Est Inc.	Camp Armée Bridge	Build a bridge on a new trail for year-round use.	Recreational Infrastructure	\$ 194,440
Village of St-Isidore	Parc des Sources revitalization	Improve playground accessibility and install additional play structures.	Recreational Infrastructure	\$ 150,000
Club sportif de Lagacéville Inc.	Club Sportif de Lagacéville multi-sports facility renovation - Phase 1	Improve the building and construct a fence.	Recreational Infrastructure	\$ 28,421
Club VTT Alnwick	ATV trail upgrades	Install 20 new culverts and upgrade Trail 40 over approximately 40 kilometres.	Recreational Infrastructure	\$ 182,520
Department of Transportation and Infrastructure	Rural Transportation, Climate Adaptation and Resiliency Project - Route 116	Elevate a section of Route 116 to prevent future damage caused by heavy rains and flooding events.	Disaster mitigation	\$ 270,000

Recipient	Project Name	Brief Description	Category	Awarded
Department of Transportation and Infrastructure	Rural Transportation, Climate Adaptation and Resiliency Project - Brophy Road	Design and construct a new embankment on Brophy Road to prevent future damage caused by heavy rains and flooding events.	Disaster mitigation	\$ 540,000
Tabusintac Community Development Corporation Inc.	Tabusintac Marina dock replacement	Install a new dock system.	Recreational Infrastructure	\$ 131,992
Association Sports & Loisirs de Duguayville	Outdoor rink improvements	Upgrade rink boards and locker room.	Sport Infrastructure	\$ 13,172
Centre de plein air les arpent de neige Inc.	Upgrades to the cross-country ski club facilities	Improve the outdoor rink, develop fat bike trails, and install a pickleball court.	Sport Infrastructure	\$ 71,740
North Tetagouche Recreation Centre	Expansion of the North Tetagouche Recreation Centre	Expand and improve the recreation centre.	Recreational Infrastructure	\$ 14,000
Club de Curling Tracadie-Sheila Inc.	Curling club upgrades	Replace mechanical and electrical systems and upgrade the washrooms and the kitchen.	Sport Infrastructure	\$ 285,000
Club Pokemouche Inc.	Pokemouche Golf Club facility upgrades	Upgrade the clubhouse and improve trail access.	Tourism Infrastructure	\$ 408,250
Comité des loisirs de Madran Inc.	Improvements to the Centre communautaire de Madran	Improve the building and construct an outdoor rink.	Recreational Infrastructure	\$ 102,916
Complexe sportif Léopold Thériault Inc.	Major infrastructure improvements	Upgrade the rink's ice surface and electrical and refrigeration components.	Sport Infrastructure	\$ 731,742
Coopérative carrefour communautaire	Rehabilitation of a building into a community hub	Rehabilitate a building into a community hub.	Recreational Infrastructure	\$ 190,002
Department of Environment and Local Government	Notre-Dame-des-Érables community rink upgrades	Install rink boards, mesh, netting and player shelter.	Sport Infrastructure	\$ 70,052
Department of Environment and Local Government	Centre communautaire Sainte-Anne renovations	Upgrade the kitchen, the washrooms and the electrical system.	Recreational Infrastructure	\$ 167,300
Véloroute de la Péninsule acadienne inc.	Véloroute Péninsule acadienne – "Wye" building restoration	Restore the "Wye" building in Inkerman Ferry to be used as a rest stop and gathering place for bike path users.	Tourism Infrastructure	\$ 280,460
Town of Shippagan	Culvert replacement	Replace a metal culvert that provides the only access to the Shippagan LSD.	Local roads and bridges	\$ 389,767
Club A.T.V. Baie Pointe Inc.	ATV trail improvements	Construct two bridges and improve trails 54 and 1601.	Recreational Infrastructure	\$ 300,000
Village of Neguac	Sportplex improvements – Phase 2	Upgrade the Sportplex by replacing the interior and exterior lighting, the flooring, and resurfacing the parking lot.	Sport Infrastructure	\$ 190,158
Department of Environment and Local Government	Renous-Quarryville Fire Station	Construct a new fire hall to improve fire service for five local service districts.	Fire halls	\$ 166,089
<b><u>Announced February 22, 2022</u></b>				
Department of Tourism, Heritage and Culture	Sugarloaf Provincial Park improvements	Add bike racks to the regional Sugarloaf Park chairlift system.	Sport Infrastructure	\$ 40,000
Club des motoneigistes de la Rivière-Verte Inc.	Bridge deck replacements	Replace the wood decking of two steel bridges.	Recreational Infrastructure	\$ 37,792
Club Skirakdoo (2009) Ltée	Facilities improvements	Improve waxing building, construct a rest area, and upgrade trails for mountain biking and cross-country skiing.	Recreational Infrastructure	\$ 19,463
Northwest Regional Service Commission	Rink construction and facility improvements in Saint-Joseph	Construct a lighted outdoor rink and upgrade the recreational building.	Recreational Infrastructure	\$ 314,777

Recipient	Project Name	Brief Description	Category	Awarded
Coopérative de récréotourisme du Madawaska Ltée	Centre plein air Mont Farlagne improvements	Refurbish chairlift and improve snow-making capacity.	Recreational Infrastructure	\$ 100,000
Arthurette Legion Branch 85	Legion building upgrades	Install heat pump and replace windows.	Community energy systems	\$ 29,988
Becaguimec Trail Association	Becaguimec mountain bike skills park	Construct a skills park designed to help people develop their bike handling skills.	Sport Infrastructure	\$ 8,739
Victoria County Snowmobile Club	Snowmobile bridge replacements	Replace four crossing structures with bridges built to current standards.	Recreational Infrastructure	\$ 93,500
Department of Environment and Local Government	Glencoe Community Hall upgrades	Upgrade building, including energy efficiency, improve playground accessibility and build a new basketball court.	Community energy systems	\$ 97,831
Department of Environment and Local Government	Dalhousie Junction Community Centre renovations	Improve the building, rink, and parking area, and add a generator.	Recreational Infrastructure	\$ 144,292
Triple-C Recreation Council Inc.	Triple-C Recreation Council - Kitchen extension	Expand the community centre kitchen.	Recreational Infrastructure	\$ 34,808
<b>Announced February 18, 2022</b>				
Club Athlétique de Notre Dame Inc.	Notre-Dame community centre infrastructure upgrades	Upgrade kitchen, ball fields, walking track and playground and add backup power.	Recreational Infrastructure	\$ 422,441
Club d'âge d'or de Scoudouc Inc.	Club d'âge d'or de Scoudouc accessibility improvements	Install an elevator to enhance accessibility.	Recreational Infrastructure	\$ 76,153
United ATV Club	McBass Bridge replacement	Replace an ATV bridge.	Recreational Infrastructure	\$ 138,922
