(ii) A part-time employee may apply in writing to work on a casual basis. When a part-time employee comes off the casual list, a reapplication will not be considered until twelve (12) months have elapsed. While on the casual list, a part-time employee who wishes to work on a casual basis must be available for work unless on approved leave.

(iii) A part-time employee interested in doing casual work will advise her Employer of the days and/or shifts on which she will make herself available. Should the employee know in advance of her unavailability for any of the shifts indicated to the Employer in any particular week she will advise the Employer of her unavailability for casual work. Should a part-time employee not advise her Employer of her unavailability she will only refuse an assignment of casual work for those reasons set out in Article 4.11(b).

(iv) There is no obligation to offer casual work to part-time employees if it interferes with their regular part-time employment.

16.02 (a) If a difference of a general nature arises between the Union or its members and the Hospital concerning a complaint or an alleged violation of this Agreement and, due to its nature, is not properly the subject of an individual grievance, the Union shall submit a written grievance at the final level of the grievance procedure within twenty (20) business days after the Union has become aware of the circumstances giving rise to the grievance. In an attempt to resolve the grievance, the Administrator acting with or on behalf of the Board of Trustees shall meet with the Union within ten (10) business days from the date on which the Union presented the grievance to the Administrator.

- 16.03 The time limits specified in this Article may be extended through mutual agreement in writing between the Hospital and the Union.

ARTICLE 46 - AMBULANCE TRANSFER DUTY

46.01 A voluntary ambulance transfer roster made up of employees shall be established in each facility and a copy given to the Local, however, when an appropriate nurse is not available in the facility, the Hospital may select from the voluntary ambulance transfer roster lists in other facilities, before designating an employee on duty in the originating facility.

46.02 (a) When a full-time, part-time or temporary employee on duty is required to attend a patient during an ambulance trip (air, road, etc.) and the time involved on the trip exceeds the employee's regular shift, she shall receive time off or pay, at her option, at the applicable overtime rate for all time in excess of her normal shift.

ARTICLE 47 - MERGER AND AMALGAMATION

- 47.01 Except in cases of emergency should the Hospital merge, amalgamate or combine any of its operations or

47.02 Discussion will commence between the Parties within ten (10) days of such notice and every reasonable effort will be made to provide continuous employment in their previous classification for employees affected in the Bargaining Unit. Any employee affected by such take over shall be offered alternate employment subject to Article 30.03 with their present Hospital or the other Hospital, and in the latter case, seniority of employees in the amalgamated facilities or service shall be considered as one (1) list. If alternate employment is not available for some employees, the layoff shall be in accordance with Article 34.

47.03 Where a new facility is planned to replace an existing facility(ies), no new employee shall be hired until the employees at the existing facility(ies) have been allocated to available positions.

Employees will be allocated on the basis of seniority by former unit or combined unit as follows:

- (a) existing employees will be allocated to their previous position,
- (b) failing that, employees will be allocated to a similar position, and
- (c) if no similar positions exist, the employee will be allocated to any other position within the facility provided the employee has the minimum qualifications for that position with their previous rate maintained until the wage rate in the new position equals or exceeds it.

If alternate employment is not available for some employees, the layoff shall be in accordance with Article 34.

ARTICLE 49 - HEALTH BENEFITS

49.01 The Hospital agrees to provide to full-time and eligible part-time employees registered and in good standing under the Medicare Plan, semi-private or better accommodation without differential charges. Similar courtesies will be extended to children, dependents and/or spouse of employees. (Such facilities are not available to children on the Pediatric Floor, nor to infants in the Nursery.) Similarly, use of the Out-Patient Department by employees or their children and dependents will be provided as a courtesy. These courtesy offers are restricted to available privileges of the Hospital and do not include:

- (i) fees to physicians or surgeons; and
- (ii) provision of drugs or laboratory tests which are not included in insured services.

49.02 The Employer shall pay seventy-five percent (75%) of the cost of premiums for the existing Province of New Brunswick Blue Cross Health Plan and fifty percent (50%) of the existing basic Dental Plan for all full-time and eligible part-time employees and their dependents. This provision will apply to employees who agree to pay the remaining twenty-five percent (25%) of the Blue Cross premiums and the other fifty percent (50%) of the Dental Plan premiums.

- (ii) The program also provides the following options at the employee's cost:
 - (a) optional supplemental life, and
 - (b) voluntary program of accidental death and dismemberment.

ARTICLE 52 - TECHNOLOGICAL CHANGE

52.01 Technological change means the introduction of equipment or material of a different nature or kind than that previously used by the Hospital, and a change in the manner in which the Employer carries on its operations that is directly related to the introduction of that equipment or material.

52.02 When the Hospital is considering the introduction of technological change which substantially changes the duties performed by employees in the bargaining unit the Hospital agrees to notify the Local as far as possible in advance of such intention.

- 52.03 If as a result of a change in technology the Hospital requires an employee to undertake additional training, the training will be provided to the employee. Such training shall be given during the hours of work whenever possible. Any training due to technological change shall be at the Hospital expense without loss of pay to the employee.

- 53.01 Where as a result of a formal assessment of employee performance, the performance of an employee is judged to have been unsatisfactory, the employee concerned must be given an opportunity to sign the form in question to indicate that its contents have been read and understood. The employee's signature shall serve as evidence that the requirements and intent of this clause have been satisfied, and not as evidence that she agrees or disagrees with the assessment.

ARTICLE 54 – RETROACTIVITY

- 54.01 (a) All employees who are working full-time on the date of signing of this Agreement shall receive retroactive pay in accordance with the rates in Appendix "A" or Appendix "B" for all hours paid.
- (b) The following employees shall also receive retroactive pay on a pro-rated basis: employees who retired or died after January 1, 2019; employees who were laid off prior to the date of signing; and employees on approved leave of absence on the date of signing.
- 54.02 Employees who were employed on January 1, 2019, and who voluntarily left the employ of the Employer between January 1, 2019, and the date of signing of this Agreement shall be entitled to retroactive pay provided they make claim by notice in writing to the individual hospital in which they were employed within forty- five (45) calendar days from the date of signing of this Agreement.
- 54.03 Retroactivity shall not apply to employees who left their employment before completing their probationary period or who were discharged for just cause.
- 54.05 All employees who were not working full-time on the date of signing shall be eligible for retroactivity pay on a pro-rated basis.
- 54.06 Retroactive effect will be given to Article 25.01 (c) (ii) and (v).

ARTICLE 55 - DURATION AND TERMINATION

- 55.01 This Agreement constitutes the entire Agreement between the Parties and shall be in effect for a term beginning on date of signing and ending December 31, 2023, and shall be automatically renewed thereafter for successive periods of twelve (12) months unless either Party requests the negotiation of a new Agreement by giving written notice to the other Party not less than thirty (30) calendar days and not more than sixty (60)

calendar days prior to the expiration date of this Agreement or any renewal thereof.

55.02 Any specific changes deemed necessary in this Agreement may be made by mutual agreement at any time during the existence of this Agreement.

55.03 Where a notice requesting negotiation of a new Agreement has been given, this Agreement shall remain in full force and effect until such time as an Agreement has been reached in respect of a renewal, amendment, or substitution thereof, or until such time as a deadlock is declared under the *Public Service Labour Relations Act*.

Re: Temporary Reduction from Full-time to Part-time

The parties, in recognition of the desire of full-time employees to reduce their hours of work agree to the following initiative on a trial basis for the duration of the collective agreement:

- (1) A full-time employee with five (5) or more years of seniority and who has had full-time status for three (3) or more years may request a leave of absence without pay for a portion of her shifts for a minimum of six (6) months and a maximum of eighteen (18) months.
- (2) Such leave may be granted at the discretion of the Hospital. Requests for such leave will be considered where:
 - the reduction is by full shifts with a minimum reduction of .4 FTE and a maximum of .6 FTE
 - the temporary part-time position would be in the same classification and in the same unit.
- (3) Where the request is granted the full-time employee would:
 - (a) be considered on a leave of absence from her full-time position as it relates to pension eligibility.
 - (b) maintain eligibility in the Certain Bargaining Employees Shared Risk Pension Plan, with the option of earning pensionable service on a pro-rated or full-service basis depending on the contribution option selected. Election would be subject to applicable Revenue Canada Purchase Maximums. The contribution option selected by the employee would trigger the Employer contribution level;
 - (c) for all other provisions of the collective agreement, the Employee would be considered part-time; and accrue and use all full-time benefits on a pro-rated basis.
- (4) An Employee shall be limited to one (1) temporary change of status during the term of the collective agreement. Extensions shall not be granted. At the conclusion of the leave period the employee shall be returned to her former full-time position. The Employee shall be considered a full-time Employee with respect to Article 34 should her position be affected by a Workforce Adjustment during the period of the leave.
- (5) Articles 4.09 and 4.10 of the collective agreement would not apply to the employees on such a leave. For greater clarity, employees on a temporary reduction shall not be entitled to an equitable offer of overtime; however, may be called if there are no other employees available.
- (6) Where required by the provisions of the collective agreement, the remaining portion of the full-time employee's position will be posted.
- (7) The employee may return before the end of the leave period where mutually agreed.

This letter of intent shall expire on the last day of this collective agreement being December 31, 2023.

Re: Permanent Reduction from Full-time to Part-time for Pre-retirement Employees

The Parties, in recognition of the desire of full-time employees to reduce their hours of work during the five (5) year period prior to retirement, agree to the following terms respecting such work reduction:

- (a) The terms of this agreement shall be equal in principle to the provisions of the Public Service Shared Risk Pension Plan, s. 3.01(3)(4), and shall be subject to the terms of the Certain Bargaining Employees Shared Risk Plan.
- (b) A full-time employee, with five (5) or more years of seniority who has had full-time status for three (3) or more years, and is eligible to retire within five (5) years, may request a permanent work reduction of no less than 0.4 FTE and no greater than 0.6 FTE. A full-time employee, who transferred November 28, 2005 from Part I to Part III, and who remains in the pension governed by the Public Service Shared Risk Pension Plan, may request a permanent work reduction of no less than 0.2 FTE and no greater than 0.6 FTE.
- (c) Such permanent reduction may be granted at the discretion of the Hospital, but shall not unreasonably be denied.
- (d) When requesting a permanent reduction the employee must indicate to the Employer the date on which she intends to retire. The employee must then retire no later than the retirement date indicated.
- (e) The remaining portion of the full-time position vacated by the pre- retirement employee shall be posted on a temporary basis for a period of time no greater than the term elected by the pre-retirement employee under (d) above.
- (f) The temporary part-time position must be in the same classification and in the same unit as that of the pre-retirement employee.
- (g) If a part-time position in the same classification with equivalent FTE hours to those of the pre-retirement employee becomes available on the unit, the temporary part-time position shall be considered completed, and the two
(2) part-time positions shall be combined and posted as a permanent full- time position.
- (h) Clauses (e), (f) and (g) of this Letter of Intent do not apply to a position where an employee, who transferred November 28, 2005 from Part I to Part III, and who remains in the pension governed by the Public Service Shared Risk Pension Plan (PSSRP), requests a permanent work reduction of less than 0.4 FTE.
- (i) The pre-retirement employee shall be considered on a leave of absence from her full-time position as it relates to pension eligibility.
- (j) The pre-retirement employee shall maintain eligibility in the CBE Shared Risk Pension Plan or PSSRP, and shall earn pensionable service on a full service basis subject to applicable Revenue Canada Purchase Maximums. Both the Employer and the employee shall continue to contribute to the CBE Shared Risk Pension or PSSRP, at the same rate as if the employee had continued to be employed full-time.
- (k) For all other provisions of the Collective Agreement, the pre-retirement employee shall be considered part-time, and shall accrue and use all full-time benefits on a pro-rated basis.
- (l) Articles 4.09 and 4.10 of this Collective Agreement shall not apply to pre-retirement employees under this agreement. For greater clarity, employees on a permanent reduction shall not be entitled to an equitable

offer of overtime; however, may be called if there are no other employees available.

This Letter of Intent shall expire on the last day of this Collective Agreement.

LETTER OF AGREEMENT
between
Treasury Board as represented by
the Hospital Boards of the Hospitals listed under Part III,
First Schedule of the
Public Service Labour Relations Act
and
The New Brunswick Nurses' Union

Re: Mobility of Employees Among Regional Health Authority A, Regional Health Authority B and EM/ANB Inc.

Background

EM/ANB Inc. is an “Institution” listed under Part III of the First Schedule of the *Public Service Labour Relations Act* and meets the definition of “Hospital” in the Collective Agreement between the New Brunswick Nurses’ Union and the Treasury Board: Nurses, Part III; expiry date: December 31, 2018 (“Collective Agreement”);

As a result of the consolidation of the Extra-Mural Programs (“EMP”) and Ambulance New Brunswick into EM/ANB Inc., employees working in EMP that, prior to the consolidation, had been provided by Regional Health Authority A (“Vitalité”) and Regional Health Authority B (“Horizon”) will become employees of EM/ANB Inc. pursuant to Article 47 “Merger and Amalgamation” of the Collective Agreement;

The Parties recognize that maintaining the existing rights and benefits of EMP registered nurses; including but not limited to: seniority, benefits, accommodations, lay-off and recall, access to postings, language of work, etc., is a critical element for future recruitment and retention of registered nurses in the province.

The Parties have agreed to the following:

1. General

The parties are bound by the terms of the Collective Agreement as well as the provisions as set out in this Letter of Agreement.

2. Benefits

EM/ANB Inc. shall honor any and all accumulated benefits of EMP employees. Further, the transfer of EMP employees under the authority of EM/ANB Inc. shall not result in any interruption, discontinuance or change whatsoever in employee benefits as set out in the Collective Agreement, including but not limited to accumulated seniority, years of service for the purpose of retirement and layoff allowance, credits for time owed, vacation credits, holiday credits and sick leave credits as well as the current Health Plan, Dental Plan, Pension Plan(s), Long-Term Disability Plan and Group Life Insurance Program.

3. Letter of Intent re: The Definition of ‘Facility’ for Extra-Mural Units, Public and Community Mental Health Programs

For the purposes of defining “facility” under the Collective Agreement, EM/ANB Inc. will continue to utilize the eight (8) zones as defined in the Letter of Intent Re: The Definition of ‘Facility’ for Extra Mural Units, Public and Community Mental Health Programs.

Therefore, all current and future employees of EMP, as it is currently in place as of the signing of this Agreement, in Zones 1B, 4, 5, or 6 will for the purpose of this Agreement be considered as EM/ANB Inc. employees working “in Vitalité” and those working in Zones 1SE, 2, 3 or 7 will for the purpose of this Agreement be considered as EM/ANB Inc. employees working “in Horizon”.

Example(s):

- An EMP employee currently working in Saint John, who becomes employed by EM/ANB Inc. will continue to have her facility defined as Saint John (Zone 2), with all the incumbent rights and benefits as if she were still an employee, in that facility, within Horizon; and

- A Registered Nurse (“RN”) who becomes initially employed at EM/ANB Inc. will have her facility determined by the geographic location of her EMP Unit (ie: the Zone), with all the incumbent rights and benefits as if she were also an employee, in that facility, within Horizon or Vitalité, as the case may be.

4. Article 4 – Part-Time, Temporary and Casual Employees

EM/ANB Inc. employees shall be able to apply to have their name placed on a casual employment list in one (1) or more facilities within either Horizon or Vitalité, as the case may be and vice versa.

5. Article 5 – Probation

Horizon or Vitalité employees, who have successfully completed their probationary period shall not be required to undergo a probationary period with EM/ANB Inc., and vice versa.

6. Article 7 – Discrimination & Article 50 – Long-Term Disability

If EM/ANB Inc. determines that an employee requiring accommodation cannot be accommodated where they are currently employed, he/she shall have the opportunity to be considered for accommodation within either Horizon or Vitalité, and vice versa.

7. Article 9 – Management Rights

Recognizing that language of work and operation is fundamental in an officially bilingual province, EM/ANB Inc. shall continue to operate in French in Zones 1B, 4, 5 and 6 and shall continue to operate in English in Zones 1SE, 2, 3 and 7. Without limiting the generality of the foregoing, EM/ANB Inc. shall continue to respect the language of daily operations of the facilities under its responsibility and will ensure management policies are in place in order to respect historic language preferences.

The Province of New Brunswick shall make such arrangements as is necessary to ensure that EM/ANB Inc. may continue to respect the same language of work and operation as required of Vitalité and Horizon pursuant to article 19 of the *Regional Health Authorities Act*, RSNB 2011, c 217.

8. Article 20 – Overtime

For the purposes of overtime, Horizon, Vitalité and EM/ANB Inc. shall use cumulative hours worked, for employees working in both Horizon and EM/ANB Inc. or Vitalité and EM/ANB Inc., as the case may be, to determine whether any hours worked in either Horizon, Vitalité or EM/ANB Inc. shall qualify for overtime.

Notwithstanding the fact that Horizon, Vitalité and EM/ANB Inc. are listed in Part III of the *PSLRA* as separate Institutions, Hospitals or Agencies, for the purposes of Article 4.09, 4.10, 4.11 and 20, Horizon and EM/ANB Inc. facilities “in Horizon” will be considered one (1) Institution, Hospital or Agency; and Vitalité and EM/ANB Inc. facilities “in Vitalité” will be considered one (1) Institution, Hospital or Agency.

9. Article 30 – Vacancies, Postings, Promotions and Transfers & Article 31 – Temporary Assignment

Horizon and Vitalité shall ensure that eligible EM/ANB Inc. employees receive notice of NBNU vacancies and/or new positions which are posted on their respective Intranet sites, and vice versa.

For greater certainty, with respect to Article 30.03:

<u>When a permanent full-time, permanent part-time vacancy or temporary assignment is posted in</u>	<u>An employee of</u>	<u>May apply for the posting and be considered in the competition using all seniority accumulated as an employee of</u>
<u>EM/ANB Inc. “in Horizon”</u>	<u>EM/ANB Inc. who works “in Horizon” or Horizon;</u>	<u>EM/ANB Inc. and Horizon;</u>
<u>EM/ANB Inc. “in Vitalité”</u>	<u>EM/ANB Inc. who works “in Vitalité” or Vitalité</u>	<u>EM/ANB Inc. and Vitalité</u>
<u>Horizon</u>	<u>EM/ANB Inc. who works “in Horizon”</u>	<u>EM/ANB Inc. and Horizon</u>
<u>Vitalité</u>	<u>EM/ANB Inc. who works “in Vitalité”</u>	<u>EM/ANB Inc. and Vitalité</u>

* For greater clarity Article 30.04 and Article 30.05 shall continue to apply.

** For greater clarity, temporary assignments, which require posting, shall continue to be posted on a facility basis, in accordance with Article 31.05. Any regional posting of temporary assignments, shall be posted in both EM/ANB Inc. and Horizon or EM/ANB Inc. and Vitalité, as the case may be.

*** Notwithstanding the consolidation of EMP from Horizon and Vitalité under the management of Medavie in EM/ANB Inc., employees of EM/ANB Inc. who work “in Horizon” will be treated as Horizon employees for the purposes of applying for positions “in Vitalité” and employees of EM/ANB Inc. who work “in Vitalité” will be treated as Vitalité employees for the purposes of applying for positions “in Horizon”.

10. Article 34 – Layoff and Displacement/Recall

<u>An employee affected by a work shortage under Article 34.05(a)(ii); Article 34.05(b)(i)(ii); Or 34.06; Or Article 34.07, who is working in:</u>	<u>May displace an employee of:</u>	<u>Using all seniority accumulated as an employee of:</u>
<u>EM/ANB Inc. “in Horizon”</u>	<u>EM/ANB Inc. or Horizon;</u>	<u>EM/ANB Inc. and Horizon;</u>
<u>EM/ANB Inc. “in Vitalité”</u>	<u>EM/ANB Inc. or Vitalité</u>	<u>EM/ANB Inc. and Vitalité</u>
<u>Horizon</u>	<u>EM/ANB Inc. who works “in Horizon”</u>	<u>EM/ANB Inc. and Horizon</u>
<u>Vitalité</u>	<u>EM/ANB Inc. who works “in Vitalité”</u>	<u>EM/ANB Inc. and Vitalité</u>

* Notwithstanding the consolidation of EMP from Horizon and Vitalité under the management of Medavie in EM/ANB Inc., an employee of EM/ANB Inc. who works “in Horizon” may not displace an employee of EM/ANB Inc. who works “in Vitalité”, and vice versa.

11. Article 38 – Seniority

The seniority for EM/ANB Inc. employees working “in Vitalité” and Vitalité employees working in EM/ANB Inc. shall be a measurement of accumulated hours paid as an employee of both Vitalité and EM/ANB Inc.

For example:

1. Full-time EMP RN at Horizon becomes an employee of EM/ANB Inc. with 10,000 hours of seniority and works fulltime at EM/ANB Inc. for one (1) year; her seniority at the end of that year equals 11,957.5 for all seniority-based rights and benefits in either Horizon or EM/ANB Inc.;
2. Part-time (0.5 FTE) EMP RN at Vitalité becomes an employee of EM/ANB Inc. with 20,000 hours of seniority and works part-time at EM/ANB Inc. (0.5 FTE) and part-time at Vitalité (0.5 FTE) for one (1) year; her seniority at the end of that year equals 21,957.5 for all seniority-based rights and benefits in either Vitalité or EM/ANB Inc.; and
3. Part-time (0.5 FTE) EMP RN is hired at EM/ANB Inc. (in Zone 1SE) and works casual hours equal to 0.5 FTE at the Moncton Hospital for one (1) year; her seniority at the end of the year would equal 1957.5, for all seniority-based rights and benefits in either Horizon or EM/ANB Inc.

12. Article 43 – Portability

For the purpose of this Agreement, notwithstanding sub-Article 43.01(a) and the fact that Horizon, Vitalité and EM/ANB Inc. are listed in Part III of the PSLRA as separate Institutions, Hospitals or Agencies, for the purposes of this Article, Horizon and EM/ANB Inc. facilities “in Horizon” will be considered one (1) Institution, Hospital or Agency; and Vitalité and EM/ANB Inc. facilities “in Vitalité” will be considered one (1) Institution, Hospital or Agency.

For greater clarity, any future movement of an employee between Horizon and EM/ANB Inc. facilities “in Horizon” or Vitalité and EM/ANB Inc. facilities “in Vitalité” shall be deemed a transfer under this Agreement. All benefits, including but not limited to: accrued vacation time, banked time and those benefits listed under Article 43.01(d) shall be retained and shall transfer with the employee.

Re: Research Project on Mandatory Nurse-Patient Ratios

WHEREAS the Union and the Employer acknowledge their respective commitments to quality health care and patient safety and agree that Registered Nurses (RN) play a vital role in health care system.

THE PARTIES THEREFORE AGREE THAT:

Within three (3) months of the signing of the Collective Agreement, they will form a joint committee of equal employer and union representation to plan and conduct a research project on mandatory nurse-patient ratios (MNPR).

The joint committee will determine appropriate MNPRs for the purpose of the research project by considering the overall skills mix of staff providing patient care in a unit, the complexity of care, acuity, RN expertise, support staff availability, and physical layout.

The joint committee will also determine which outcomes will be measured and the metrics/indicators to be used to measure the outcomes.

The joint committee may invite additional participants on an as-needed basis to ensure the project has access to the required knowledge and expertise.

Two units will participate in the research project: one unit in Horizon and one unit in Vitalité. Only units that already have the appropriate MNPRs prior to the start of the research project will be considered for participation in order to avoid drawing resources from other units.

The research phase of the project will last two years: from January 1, 2023 to December 31, 2024.

The research project will be flexible and non-binding. The employer will reserve its right to reassign RNs based on operational requirements and patient acuity.

The joint committee will prepare and release a report to the parties within six (6) months after the two-year research phase.

Re: Gender-Inclusive Language

This memorandum is to give effect to the agreement reached between the Treasury Board of New Brunswick and the New Brunswick Nurses Union regarding the review of language in the Nurses, Part III collective agreement.

Both parties are committed to and support gender neutrality and inclusivity. To that end, the parties commit to, during the life of the above-noted collective agreements, establishing a Joint Committee to review the collective agreements to identify opportunities to render the language more gender-inclusive. The parties agree that any changes in language will not result in changes in application, scope or value.

Both parties acknowledge that gender inclusivity is more difficult to achieve in the French language compared to the English language but are committed nonetheless to further supporting and increasing gender neutrality and inclusivity in the collective agreement.

The Joint Committee agrees to begin their work 90 days following the signing of the Collective agreement and will endeavour to finalize the review by June 2022. These timelines may be extended by mutual agreement.
