

# ABILITY NB

The mission of **Ability NB** is to empower the independence and full community participation of persons throughout New Brunswick who have a mobility disability. Ability NB achieves this by:

- Being the primary voice for New Brunswickers of all ages living with a mobility disability.
- Being a leader in service delivery and an influential voice in federal, provincial and local public policy development for persons with a mobility disability.
- Providing professional, responsive, and caring innovative programs and services.
- Knowledge, expertise and lived experience.
- Being key partners in the rehabilitation, disability and research fields.

Ability NB offers the **Transition NB program** to youth ages 16 to 30 living with a mobility disability to reach education and career goals. They also offer the *Transition Guide for Youth with a Disability* in **e-Book** or **pdf** formats.

For more information and support from Ability NB, please call 1.866.462.9555 (toll-free), Monday to Friday, 8:30 to 12:00 and 1:00 to 4:30.
