

MARCH 16, 2005

2005-67

Under section 18 of the Environmental Impact Assessment Regulation – Clean Environment Act, the Lieutenant-Governor in Council accepts the recommendation of the Minister of the Environment and Local Government that approval should not be given for an undertaking by Kingsway Industries Limited to import approximately 20,000 tons per year of waste wood ash from the State of Maine, U.S.A., to be land-applied to a variety of sites near Minto, New Brunswick.

Herménégilde Chiasson  
Lieutenant-Governor
