MINISTER’S DETERMINATION CONDITIONS OF APPROVAL

Pursuant to Regulation 87-83 under the Clean Environment Act

May 25, 2005

File Number: 4561-3-1038

1. In accordance with section 6(6) of the Regulation, it has been determined that the undertaking may proceed following approval under all other applicable acts and regulations.
2. Commencement of this undertaking must occur within three years of the date of this determination. Should commencement not be possible within this time period, the undertaking must be re-evaluated under the *Environmental Impact Assessment Regulation (87-83)* – Clean Environment Act, unless otherwise stated by the Minister of the Environment and Local Government.
3. The proponent shall adhere to all obligations, commitments, monitoring and mitigation measures presented in the EIA registration document (dated March 2005 and April 14, 2005), as well as all those identified in all subsequent correspondence during the registration review. Additionally, the proponent shall submit a summary table detailing the status of each Condition listed in this Determination to the Director of the Project Assessment Branch of the Department of the Environment and Local Government (DELG) every 6 months from the date of this Determination until such a time as all the Conditions have been met.
4. If it is suspected that remains of archaeological significance are found during construction, all activity shall be stopped near the find and the Resource Manager of the Archaeological Services Unit, Heritage Branch of the Culture and Sport Secretariat, shall be contacted at (506) 453-2756.
5. A Wetland Alteration Permit must be obtained from the Department of the Environment and Local Government (DELG) prior to the start of any activity within 30 m of the wetland. For more information, please contact Deanna McCullum, Wetlands Biologist, Watercourse and Wetland Alteration Program, DELG, at (506) 457-4850.
6. This project involves the use of Crown lands. Appropriate authorization or tenure must therefore be obtained from the Department of Natural Resources (DNR) prior to the start of construction activities. For more information, please contact Kevin O’Donnell, Crown Lands Branch, DNR, at (506) 453-2826.
