MINISTER’S DETERMINATION CONDITIONS OF APPROVAL

Pursuant to Regulation 87-83 under the Clean Environment Act

May 15, 2008

File Number: 4561-3-1121

1. In accordance with section 6(6) of the Regulation, it has been determined that the undertaking may proceed following approval under all other applicable acts and regulations.
2. Commencement of this undertaking must occur within three years of the date of this Determination. Should commencement not be possible within this time period, the undertaking must be re-evaluated under the *Environmental Impact Assessment Regulation (87-83)* – Clean Environment Act, unless otherwise stated by the Minister of Environment.
3. The proponent shall adhere to all obligations, commitments, monitoring and mitigation measures presented in the revised Environmental Assessment Report (dated April 2, 2007), as well as all those identified in all other correspondence during the registration review. Additionally, the proponent shall submit a summary table detailing the status of each Condition listed in this Determination to the Director of the Project Assessment and Approvals Branch of the Department of Environment (DENV) every six months from the date of this Determination until such a time as all the Conditions have been met.
4. If it is suspected that remains of archaeological significance are found during construction, all activity shall be stopped near the find and the Resource Manager of the Archaeological Services Unit, Heritage Branch of the Department of Wellness, Culture and Sport, shall be contacted at (506) 453-2756.
5. An Approval to Construct must be obtained from the Stewardship Branch of DENV prior to the start of any construction activities, and an Approval to Operate will subsequently be required. For additional information, please contact the Manager of the Water and Wastewater Management Section, Stewardship Branch, DENV, at (506) 453-7945.
6. An Environmental Protection Plan (EPP) must be submitted for review and must receive approval from the Director of the Project Assessment and Approvals Branch, DENV, prior to the start of any construction activities. For more information, please contact the Director at (506) 444-4599.
7. Fisheries and Oceans Canada (DFO) must be contacted at least ten working days prior to the start of any construction activities. Andrew Newbould, Habitat Assessment Officer, DFO, can be reached by telephone at (902) 426-1447, by fax at (902) 426-1489, or by email at newboulda@mar.dfo-mpo.gc.ca.
